### **(1) Introduction**

Please read these terms of sale carefully.

You will be asked to expressly agree to these terms of sale before you place an order for products from us, Carabuild Park & Leisure Homes Ltd.

### **(2) Interpretation**

In these terms of sale, "we" means Carabuild Park & Leisure Homes Ltd (and "us" and "our" will be construed accordingly); and "you" means our customer (the customer placing the order and who has signed the Customer Order and Specification Form (and "your" will be construed accordingly).

### **(3) Order process**

The advertising of products on our website, in our brochures and other marketing listings constitutes an "invitation to treat"; and your order for products constitutes a contractual offer. No contract will come into force between you and us unless and until we accept your order by countersigning your signed order form.

In order to enter into a contract to purchase products from us, you will need to take the following steps:

Meet with our Sales Representative and complete a 'Customer Order Specification Form' which will detail your exact purchase requirements. Said form will be signed by you and us. For Business to Business a sale may be agreed via email as agreed at the time of sale. Any such agreement made via email is bound by the terms of this document.

Pay us a deposit when the above document (Customer Order Specification Form) has been completed and signed by you and us. Deposit amounts are at the discretion of the Board of Directors. A production build slot cannot be confirmed until a suitable deposit has been received (the amount as dictated by Carabuild park & leisure Homes Ltd). Please note that deposits are non-refundable or transferable.

Agree with us on a proposed build date and where feasible a despatch date of your product. *This is not a guaranteed date and is subject to change. A Company Director will keep you informed of the progress of your build.*

Agree with us on a proposed final balance payment date which will be no later than 48 hours prior to the agreed despatch date.

We will not file a copy of these terms of sale specifically in relation to your order. We may update the version of these terms of sale from time to time, a copy of which can be found on our website or by

contacting our office and we do not guarantee that the version you have agreed to will remain accessible. We therefore recommend that you download, print and retain a copy of these terms of sale for your records.

Before you place your order, you will have the opportunity of identifying whether you have made any input errors by speaking to a Company Director. You may correct those input errors before placing your order by contacting us.

#### **(4) The products**

We agree to design and construct your Static Caravan / Leisure Home / Lodge (see definition below) to the mutually agreed specifications and to include all materials and goods as agreed in the signed customer order specification form. Where we have agreed to arrange the despatch of your leisure home we will do so on the mutually agreed date. Should any issues arise with meeting the agreed construction completion date and/or the agreed despatch date we shall contact you at the earliest convenience. We cannot be held responsible for any delay with transportation as we do work with an external haulage firm. Please note – component parts may change slightly dependant on the supplier chain.

##### **Definition of the term 'Static Caravan / Mobile Home'.**

A **mobile home** (also trailer, trailer home, **static caravan, caravan**) is a prefabricated structure, built in a factory on a permanently attached chassis before being transported to site (either by being towed or on a trailer).

All leisure homes unless specifically stated are built in accordance with the EN1647 standards. If a customer has ordered a residential specification unit this will be stated on their build paperwork. By signing the order form customers confirm they have read and understand the Terms and Conditions of Supply and Sale document.

**If we have arranged transport on your behalf, full payment must be made to Carabuild Park & Leisure Homes Ltd on the date the balance of the leisure home is due.**

**We will obtain quotations from external haulage firms prior to the build process. We cannot arrange haulage until payment has been received in full.**

#### **(5) Price and payment**

Prices for products are quoted on individual basis dependant on customer specifications. The price agreed by both parties will be stated on the completed and signed Customer Order Specification Form, a copy of which will be given to you on the day of completion of said form. Should there be any late additions and/or changes to your order a new price will be agreed by both parties and a new customer order specification form will be sent to you for signature. We will not be able to proceed with these additions/changes until safe receipt of the new signed customer order specification form. No change can be made to the structural integrity of the unit once the sale has been agreed. We can allow changes to the cosmetics of the build i.e. colour change of flooring / worktops/ kitchen doors etc but within no less than 12 weeks prior to the build commencement date. The build commencement date will be detailed on your customer order form.

In addition to the price of the products, you will have to pay a delivery charge, which will be as stated at the initial meeting with us. We may sometimes agree an 'all inclusive price', in which case will include the cost of the delivery. This will be detailed on your customer order form. You may wish to arrange haulage direct with the haulier firm.

The agreed deposit must be made [upon the submission of your order]. We may withhold the products and/or cancel the contract between us if the price is not received from you in full in cleared funds. The

balance of the product must be paid at least 48 hours before the agreed proposed completion and/or despatch of your product. You, the customer, confirm by signing the customer order form, that you have read and agree to the Terms and Conditions of Sale. You, the customer, agree that should you not make payment in full upon completion of the leisure home ordered by you, Carabuild Park & Leisure Homes Ltd reserves the right to retain the deposit paid and remains the owner of the leisure home. Should payment not be received in full within a reasonable time frame as indicated within these terms and conditions, Carabuild Park & Leisure Homes Ltd will advertise the leisure home and is able to sell to a new customer to recover the costs not received by you.

## **(7) Delivery policy**

When we have agreed to arrange the delivery on your behalf, we will arrange for the products to be delivered to the address for delivery indicated in your order.

We will use reasonable endeavours to deliver products on or before the date for delivery set out in our order confirmation. We cannot accept responsibility for any delay with transport.

It is your responsibility to ensure that you have adequate arrangements in place to take delivery of your product and, unless prior signed agreement has been made by us, you understand that the delivery of the product is to your address only and not sited or put into position by the haulage firm.

**Please note: it is your responsibility to make adequate arrangements to have your new leisure home sited appropriately (i.e. straight and level). This is to ensure that the leisure home is positioned correctly to avoid any damage being caused internally and externally. Failure to do this will result in doors and windows not operating correctly and potentially internal components being damaged. Carabuild Park & Leisure Homes Ltd cannot be held responsible for any issues occurring as a result of poor and inadequate siting arrangements.**

**You must also arrange for a qualified and registered gas safe engineer to complete a gas safety check and a qualified electrical engineer to connect the mains electricity as soon as your leisure home has been sited. The reason for this is that movement during transit can put stress on the connections and safety cannot be guaranteed without the qualified engineers' commissioning and certification checks. We cannot work on any aftersales issues if the plumbing, water and electric have not been suitably commissioned on site prior to our visits. We may ask to see a copy of the certificates.**

**Failure to comply with the above will result in your warranties becoming void and any after-sales care compromised.**

## **(8) Risk and ownership**

The product remains the property of Carabuild Park & Leisure Homes until the balance has been received and cleared in full. We will not be held responsible for any issues arising whilst the product is in transit although should these unfortunate circumstances arise we shall endeavour to repair and rectify as soon as possible by liaising with you and the haulage firm. Please note we cannot conduct any repairs caused whilst in transit until we have confirmation of the billing name and address of the (the persons responsible).

If you are a consumer, any statutory rights which you have, which cannot be excluded or limited, will not be affected by the terms of sale.
